## Introduction – Company & Products

### Profile Summary

- Quick Electric has been in existence since 1985 serving customers from various sectors like Utility, Power Generation, Construction, Distribution, Marine, Oil & Gas.
- Our activities involve in the manufacture, supply, repair, refurbishment, commissioning & after sales service for L.V. Switchgear, Control-gear & Electromechanical Equipments.
- A 25,000 sq. ft. full fledged & air-conditioned assembly line factory with state of the art tools and highly qualified and experienced engineering team.

### Standards

- Major products have been tested & certified as per IEC / BSEN standards by ASTA – UK, as we hold 9 ASTA certificates ranging from 100 amps to 4000 amps.
- ISO 9001: 2000 accredited by ASTA-UK since 1998.
- We are on the approved list of Middle East Water & Electricity Authorities like ADWEA, DEWA, SEWA, AADC, FEWA, KAHRAMAA etc.

### Experience

- Our worldwide clients include countries like Azerbaijan, Afghanistan, Africa, Bahrain, Iraq, Iran, Kuwait, Libya, Saudi Arabia, Qatar, Yemen, UAE & the other countries in the Middle East.
- So far 5000+ projects have been executed. Currently, the year 2007 - 08 saw us executing two major landmark projects.

### Major Components

#### Components

- Merlin Gerin & Telemecanique (Schneider Electric)
